## WORK HISTORY

---

**Bar Association «Kurganov and Partners»** (09.2021 – 12.2021), position-lawyer's assistant

- Writing and sending various procedural documents (petitions, claims, lawsuits) to arbitration courts on behalf of a lawyer
  - Preparation for court proceedings, conducting legal research and drafting documents
  - Analysis of judicial practice on various legal disputes
  - Correction of previously written documents, filing them in court, invoicing clients
  - Preparation of legal opinions on issues from other branches of law (for example, on the questions: «How to become a senator?» or «How to open an LLC?»).
-

**«Consultant-Plus»** (03.2022 – 04.2022), position-intern

- Development of a LegalTech project (A tool that allows you to automatize the process of approval a contract in the company and with a counterparty) as part of a team of lawyers and IT specialists
- Writing legal opinions on the issue of the origination and protection of intellectual property rights on the website
- Preparation of various types of accounting documentation
- Search for up-to-date information and writing/editing legal news
- Preparation of the visual part of the project in the «Figma».

**Law firm «Yust»** (Autumn internship), position-intern

- Writing legal opinions on corporate law issues (for example, «Analysis of SPV funds in America», «SAFE Contract Structure», «Comparative analysis of legal mechanisms of venture investment in the USA and the Russian Federation»)
- Preparation of documents, tables, presentations for internal needs and for clients
- Analysis of judicial practice on corporate and intellectual property law.

## **PERSONAL INTERESTS**

---

Football (I participate in amateur championships). In my free time, I am fond of studying corporate and civil law, as well as family law.
